

May 16, 2022

On May 1, 2022, Stockton lost a dedicated faculty in Ms. Lydia Fecteau. Ms. Fecteau was an inspirationally dedicated faculty, and an advocate for the community.

Her contributions to the institution have impacted our students and continue to shape their lifelong learning through her work.

As many colleagues recognize, she was the instrumental faculty behind the Disability Studies Minor at Stockton. She also played a key role as adjunct liaison to the Faculty Senate.

With this resolution, we thank her for her diligent, tremendous service to Stockton, and acknowledge her role, both for the institution and to the Senate.

God bless Ms. Fecteau's kind soul.

On Behalf of the Faculty Senate
