

November 8, 2022

there were far fewer H-courses offered for fall semester 2022 compared to previous semesters and compared to V-, A-, and I-courses. It is clear that moving ahead (again) with this change without further consideration and opportunity for affected faculty to weigh in and argue for changes will have immediate negative effects for our students. For transfer students with limited time to complete the range of subscripts and requirements, this could well mean that they need

Political Science Faculty
Social Work Faculty
