Degree Map: Nursing 4-year Program (BS)
Bachelor of Science in Nursing
School of Health Sciences | Stockton University
HSC 215 | 609-652-4501

The following is a suggested plan of study for completion of this degree program.

The goal of a Degree Map is to ensure that students graduate with no more than 81 credits in four years.

- x All students should speak with their preceptor throughout their academic programs.
- x Students are encouraged to take overload and Summer courses to facilitate their progress 7 or

ute for academic advisement.
