Galloway, NJ – College value and affordability were the key issues discussed by higher education thought leaders recently at Stockton College's initiative on Higher Education Strategic

-continued from page 1-

Aided by other expert policy analysts, including Dan Hurley of the American Association of State Colleges and Universities and Richard Novak and Jane Wellman, both of the Association of College and University Governing Boards, some of the specific advice to HESIG covered:

College value:

Clearly define value in a manner that relates directly to the educational needs and
