**Galloway, NJ** - Survey research from Stockton University establishes a baseline on New Jersey  
55 percent saying they feel

with the economy.

Key findings from the survey of 802 New Jerseyans statewide include that nearly 70 percent  
believe the U.S. economy is stil

***-continued from page 1-***

those polled also did not enjoy economic achievements, such as the purchase of a new home or job promotion.

### **About the Hughes Center**

The William J. Hughes Center for Public Policy ([stockton.edu/hughescenter](http://stockton.edu/hughescenter)) at Stockton University serves as a catalyst for research, analysis and innovative policy solutions on the economic, social and cultural issues facing New Jersey, and promotes the civic life of New Jersey through engagement, education and research. The Center is named for William J. Hughes, whose distinguished career includes service in the U.S. House
