A. Accreditation Status

1. Institutional Accreditation

In June 2012, the Commission on Higher Education (CHE/MSA) reaffirmed full accreditation for Stockton. In addition, Stockton received two commendations for its progress to date and the excellent quality of its self-study process. Stockton received exceptionally high marks in all categories, including quality of teaching and learning outcomes, faculty accomplishment and student services. The University was featured in the 2012-13 Progress Report for the 10th anniversary of its reaccreditation term. In recent years, Stockton is one of the few NJ institutions in their self-study processes that resulted in such distinctive designations.
