Galloway , NJ - The Stockton Performing Arts Center and the Franklin Institute are teaming up to bring "The Astronomy Show" to Upper Township Middle School on Thursday, March 3.

Show time is 7 p.m. Tickets are free, but must be reserved by calling the Box Office at (609) 652-9000. The Box Office is open Monday through Friday from 9 a.m. to 3 p.m. and 90 minutes before the performance. For group sales, call (609) 652-4786.

What does light have to do with the study of space? Everything! Examine the behavior of light to find out how we learn about objects that are too far away to visit. Then, see what light can show us about the sun, moon, planets and other stars. The program, developed with support by NASA, offers an out-of-this-world learning experience.

The Franklin Institute brings its signature brand of science to the community with hands-on science activities for kids, as well as engaging activities designed specifically with elementary and middle school kids in mind. These traveling science assemblies provide fun
