**Egg Harbor Township, NJ-** Area substance abuse prevention professionals will participate in a two-part seminar highlighting drugs that are used to detoxify the body. The seminar will be held on **November 22, 2010** from 5:30 p.m. to 8:00 p.m. at the Behavioral Crossroads office, located at 205 West Egg Harbor Township, NJ 08234.

This seminar is co-sponsored by The Richard Stockton College of New Jersey Behavioral Health and the Professional Advisory Consortium.

"Everyday human service professionals are confronted with the challenge of addiction," said Cynthia Sosnowski, associate dean of the School of Behavioral Health at Stockton College.

Dr. Albert Rundio, Jr., a former associate professor at Stockton College, and Dr. Rundio, an experienced clinician and administrator, will be the primary speakers.
