Galloway Township, NJ - The public invited to a free information session on the prevention and treatment of knee pain on **Wednesday, Nov. 19** at the Manahawkin Intertoral Site of The Richard Stockton College of New Jersey.

Fabio Oozo, M.D. of the Rothman Institute, a leading center for the study and treatment of knee and hip problems, will discuss the latest methods of pain relief and treatment. Dr. Oozo specializes in both knee and hip surgery, including total hip replacement. He received his M.D. from the Columbia University School of Medicine in New York City. He completed his residency at Jefferson University Hospital, has published multiple articles in his field, and has lectured and attended conferences.

The Lunch & Learn is sponsored by the Manahawkin Intertoral Site and Stockton College. The session will take place on Nov 19 from 12-1 p.m. Lunch will be provided.

Please call 609- 626-3883 to RSVP for this event.
