Apple Cider Doughnut Basket This oval basket with a center wooden handle will carry 12 doughnuts. Homemade apple cider doughnuts will be served along with the recipe. There is a \$30 materials fee payable to instructor.

The classes will be taught by Niki Giberson at her folk art school and sheep farm in Port Republic where she will be sharing her love of baking and cooking along with her desire to instruct participants in creating their own heirloom pieces. Swan Bay Folk Art Center was established in 1988, located on Gary and Niki Giberson's property in Port Republic, which they share with their flock of sheep and laying hens. The folk art school was started primarily to teach children and adults to create their own pieces of history. Giberson has a degree in early American crafts and culture from Stockton University and specializes in basketry and wool crafts using fiber from her own sheep.

Register online at HandsOnHistory.com or call Niki at 609-652-0366 for more information, directions or to register.

Visit the SCOSA website at Stockton.edu/scosa for more information, updates and cancellation procedures.
