“Stockton deeply values the action that AAUW has been taking to close the gender

The students, who will be entering eighth grade in the fall, lived on campus and participated in activities such as programming apps for tablets and smart phones; conducting chemistry and biology lab experiments; exploring cybersecurity online; building circuits; maneuvering a robot over an obstacle course; and collecting samples from Lake Fred to examine under a microscope.

The camp also dedicated an entire day to the study of aviation. Twenty girls traveled to Philadelphia International Airport’s air vtchŁe" eqpvtqn" vqygt" y jkng" v y q" qv jgt" i tqwru" of 20 each rotated through a day of drone łki jvu" cpf" dwknfkpi" cpf" ncwpejkpi" tqemgvu" on the Galloway campus. ## Stockton, AAUW Host Tech Trek STEM Camp

Stockton Production Services assisted the campers with a special video to say thank you to Stockton University and those who helped make Tech Trek a success. [Enkem"jgtg"vq"ugg"vjg"xkfgq](#).

Many Stocktonians contributed to the camp's success including: **Laurie Griscom, Lindsay McGrath** and **Lauren Rizzo-Heiler** of Event Services; **Bob Heinrich**
